# Nathan Webb

By Christopher Thompson

age: 36

residence: North Carolina

education: BA in Education

occupation: High school teacher

marital status: Married with kids

*"I don't have much time to waste"*

Spends most of his day teaching or preparing to teach the next day. Regardless, he prioritizes the needs of his two kids who both have dietary restrictions. This ends up taking a significant portion of his free time. His husband is also very busy.

## Criteria For Success:

Eleanor needs to feel that she is giving her body the correct foods that it needs and that she's making the best choices for her dietary needs.

## Wants

- To inform people about their nutritional needs
- Create fun meals with nutritional benefits

## Fears

- Fatty foods
- Nutrition misinformation

# Adrian Harris (Tamiya Shepherd)

age: 34

residence: McDonough, Georgia

education: Master of Nursing Degree (MSN)

occupation: Pediatric Nurse Practitioner

marital status: Single, with two kids

*"My greatest blessing call me mom"*

Adrian constantly work to make a living for her and her children. Sometime she barley see's them. She tries to make sure she cooks each day so that they always have something to eat. She struggles with cooking because she is always working. Her children are highly allergic to lots of food ingredients so she has to watch out for lots of foods when she does cook.
